NPCC Policy (Latest)

Customer service is an essential part of the quality & environmental process and to ensure this is fulfilled, all employees receive training to ensure awareness and understanding of quality and environment and its impact on customer service and of the products or service in which we provide.

To ensure the company maintains its awareness for continuous improvement, the quality and environmental system is regularly reviewed by “Top Management” to ensure it remains appropriate and suitable to our business. The Quality and Environmental System is subject to both internal and external annual audits.
